פרוטוקול ישיבת פורום השב"ס שהתקיימה ב- 17.1.24

- National Library surveys: Orly S. will try to customize them so that we won't get them about specific ILL requests
- National Library's prices: Lynne will raise the issue again with Tomer Hadad
- College Library Directors' Forum meeting on 24.1.24 (with college library ILL librarians): Lynne will present summary of ILL Venture and discuss issues that need improving, and Limor Cohen will present ISO
- OCLC: from 2024 will be paid by individual institutions, and Rapid will be paid by Malmad. Malmad and ILL Steering Committee will check at end of 2024 and notify re: 2025.
- Hospitals: all university libraires are allowed to supply the hospitals within the framework of the ILL Venture, if requests are for Research or Study and comply with Copyright and Publisher Licenses
- Compliments: Naomi Abraham mentioned the importance of ILL in academia and praised all university ILL librarians on the quality of the service; Hana Liashkevich praised the Free ILL Venture in principle
- ISO and Locate Profiles: HUJI will be migrating to ISO shortly, Bar-Ilan, the Technion and Weizman are checking. Lynne will contact Ariel University
- Partners: All partners that appear in the RS Directory, under Community will supply ILL free
